3. **COMPETITION MANAGEMENT SYSTEM** - <https://secure.dfwfuturecity.org/NorthTX/Teachers> (login links also available from NTX Team Center website). This is the FCC CMS we've used for several years and accommodates both our FCC and FC Jr competitions (the new national Educator Dashboard does not). More information on transition to this system coming shortly.
4. **MENTORS**: If you need help finding a mentor, check out the list of suggestions https://www.dfwfuturecity.org/team_menfind.html. If you've exhausted this list and still need help, contact me and we'll poll our network for volunteers.
