FCC Junior Update - NTX online system for competition management (IMPORTANT INFO)

All:

As mentioned in previous emails, in the NTX region we will be using the online competition management system that we have used in the past for this year's 2021-22 competition.

EDUCATOR DASHBOARD – FOR RESOURCES ONLY

Some of you registered at <http://futurecity.org> and have an account on the Educator Dashboard. We will be using this site for resources only: background information, handbook download, student activities and forms. You do not need to create teams and you should not be uploading files to this system – it will not accommodate the junior competition judging this year.

For those of you who registered by email to me, you can find most of the resources at: <http://futurecity.org/resources>.

NTX TEAM CENTER AND CMS

We have re-installed the CMS from previous years. From this point forward, you will be using this site for creating and managing teams, uploading files and obtaining scores (after the competition). This is the system the judges will be using to score your submissions.

URL: <https://secure.dfwfuturecity.org/NorthTXJunior/Teacher>.

You can also access this page from the NTX Junior Team Center:

www.dfwfuturecity.org/team_junior.html.

YOU WILL NOT BE ABLE TO REACH THIS PAGE from the Educator Dashboard or the national (futurecity.org) site.

If this is your first time logging in (if you didn't have an account last year) – use the Educator Pages menu in the upper left to "Enroll."

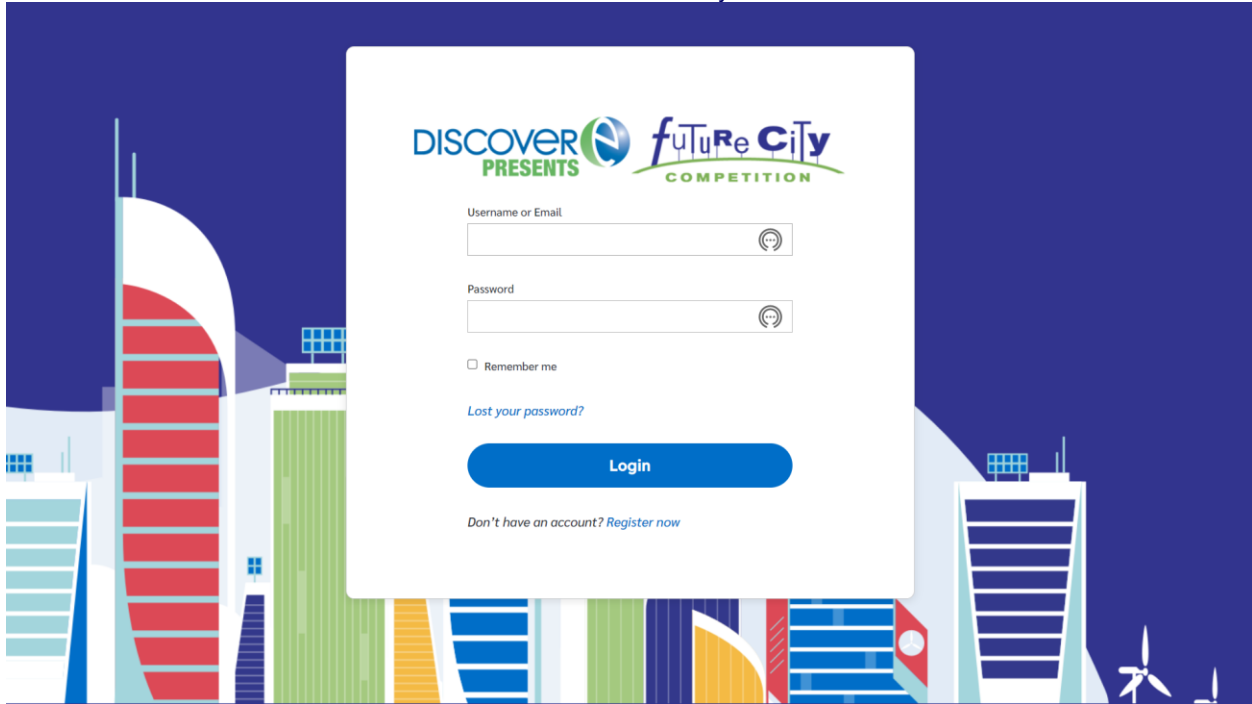

Once enrolled, you can create and manage teams and upload files. I'm sorry if you have already entered team information into the Educator Dashboard site – you will need to re-enter it here (NTX CMS).

ATTACHED is a brief overview of the CMS that might help in answering questions, however, do not hesitate to contact me if you have any problems.

Thanks for your patience and understanding as we manage this year's program.

Jean Eason
NTX Regional Coordinator
Future City Competition

Educators Pages | **Team Information** | **Score Overview**

Here is the information as it is currently for the this team. Edit the fields as needed to update the team, and use the update button to save the changes. Use the delete button to discard this team. As before, use the "Add A Student" button to extend the form as needed for additional students.

NOTE: If any files have been submitted against this team and you delete the team, the files will be deleted as well.

School Information:

Region: Texas (North) Region
 Teacher: Jean Moore
 School: NTX Middle School

Mentor Information:

If your mentor has registered on this web site, select the mentor's name from those shown in the following list.

Mentor:

If your mentor did not appear in the above list, then complete the ensuing information about this team's mentor. You do NOT have complete the mentor details if you selected the mentor from the above list.

Mentor Name: Last: First:
 Mentor Employer:
 Mentor eMail Address:
 Mentor Phone Number:

Team Information:

City Name:

Select your team status from the following list. If your team plans on completing the entire Future City Competition, leave the team as "Active". If your team is competing on a trial basis, which means you will not compete in all phases of the Future City Competition, select "Partial Participation". If your team no longer wishes to compete in Future City Competition, select to resign your team.

NOTE: If you resign this team, you will have to speak to your regional coordinator to allow this team to return to the competition.

Team Status: Active Team Partial Participation Resign This Team

Team Roster:

You will be able to manage the students on your team after the team has been created.
