ANNOUNCING NEW LOCATION FOR REGIONAL EVENT

I want to give those of you who have been participating with our NTX region in the past a quick “heads up.” We are finalizing plans to move to a new venue for our Regional Event.

For 20 years, UT Arlington has been our generous host for the NTX Future City Regional Competition event. This year, we will be meeting at Tarrant County College-Trinity River Campus in downtown Fort Worth.

This is a beautiful facility that was originally the corporate headquarters for Radio Shack. It is much larger than the engineering building at UT Arlington and we are excited for this opportunity. Stay tuned for updates on the process and procedures for this year’s regional.

Happy Thanksgiving everyone.
